

Contract No. SP-1915

## APPENDIX I

The sections set forth hereunder shall constitute the Appendix to Contract No. SP-1915 as referenced in Part I of the Schedule and indicate the supplies and services to be furnished by the Contractor under Contract No. SP-1915. Such scope of work may from time-to-time be readjusted to reflect the development of the program.

Section A - Flight Test Program - Estimated Price \$250,000

The Contractor shall furnish such personnel as are required by the customer and available to the Contractor to support a flight test program at a site or sites to be designated by the customer. It is contemplated that such sites shall be located within the Continental United States. Estimated costs in connection with such program shall be in general agreement with the arrangements as set forth in Contractor's letter of May 27, 1957 to the customer and as accepted by the customer in customer's letter of 5 June 1957 to the Contractor.

Section B - Equipment and/or Materiel Procurement, Installation, Modification, Fabrication and repair, as required:
